

Coordinating Council; the State Commission on Physical Fitness; and the State licensing boards and commissions in the Health Occupations Article.

Former Article 43, § 1Fe., which provided for transfers between the office of the Secretary, the Department of Health, and the Department of Mental Hygiene and policymaking for the operation of the Departments, is deleted as unnecessary in light of this subsection and as obsolete with respect to the Commissioners of Health and of Mental Hygiene. See the General Revisor's Note to this article.

Defined terms: "Department" § 1-101  
"Secretary" § 1-101

(I) FEDERAL FUNDS.

THE SECRETARY MAY APPLY FOR, RECEIVE, AND SPEND GRANTS-IN-AID BY THE FEDERAL GOVERNMENT OR ANY OF ITS AGENCIES OR ANY OTHER FEDERAL FUNDS MADE AVAILABLE TO THE DEPARTMENT FOR USE IN CARRYING OUT THE POWERS AND DUTIES OF THE SECRETARY OR THE DEPARTMENT.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Article 43, § 13.

The words "apply for" are added to state a formerly implicit requirement, since most, if not all, programs require applications for participation.

The defined term "Secretary" is substituted for the obsolete reference to the former "State Board of Health". See the General Revisor's Note to this article.

The former limitation "duties confided ... by this article" -- i.e., Article 43 -- is deleted as too narrow in light of the revision of parts of Article 43 in the Health Occupations Article, Health - Environmental Article, and this article.

The former provision that required the spending of funds to be in accordance with law is deleted as unnecessary since the Secretary is not authorized to spend funds illegally. As to these funds, see also Article 15A, §§ 6 and 7 of the Code.
