

FOR the purpose of altering the date for submitting a plan to the Public Service Commission by any county or any group of counties that seek funding for installation or seek reimbursement of the installation of a 911 system or enhancements to a system.

BY repealing and reenacting, with amendments,

Article 41 - Governor - Executive and Administrative
Departments
Section 41-204H-4
Annotated Code of Maryland
(1978 Replacement Volume and 1981 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That section(s) of the Annotated Code of Maryland read(s) as follows:

Article 41 - Governor - Executive and Administrative
Departments

204H-4.

(a) On or before July 1, [1982] 1983, any county or any several counties together which seek funding for the installation of a 911 system or enhancements to a system or any county or any several counties together which seek reimbursement for the installation of a 911 system or enhancements to a system shall submit to the Board a 911 system plan for that county or multicounty area. The plan shall conform to the planning guidelines set by the Board and shall be designed to meet the requirements of those public safety agencies whose services are available through the 911 system. The plan shall include:

(1) The type of 911 system desired for the county or multicounty area, including the type of equipment to be used and the associated costs;

(2) The location of the emergency services answering point and the county or multicounty agency or organization responsible for operating the emergency services answering point;

(3) A listing of those public safety agencies whose services will be available through the 911 system;

(4) The personnel determined necessary to operate and maintain the 911 system; and

(5) The educational efforts the county will undertake to acquaint the general public with the availability and proper use of the 911 system.
