

(2) THAT PROVIDES TO 2 OR MORE UNRELATED INDIVIDUALS:

(I) ANY INPATIENT MEDICAL, SURGICAL, OR DIAGNOSTIC CARE OR TREATMENT; OR

(II) ANY NURSING, CUSTODIAL, OR DOMICILIARY CARE.

REVISOR'S NOTE: This subsection formerly appeared as Article 43, § 14(a)(9).

The only changes are in style.

(I) MORTICIAN.

"MORTICIAN" MEANS A FUNERAL DIRECTOR, MORTICIAN, OR OTHER PERSON WHO IS AUTHORIZED TO MAKE FINAL DISPOSITION OF A BODY.

REVISOR'S NOTE: This subsection is new language added to avoid repetition of phrases such as "mortician, funeral director or other person authorized to make disposition of the corpse".

The term "mortician" is used for conformity to the broadest reference in the Health Occupations Article. However, this definition relates only to the term "mortician" as used in this subtitle and has no effect on who may be licensed or authorized to make final dispositions of bodies. In that regard, see Title 6 of the Health Occupations Article.

Defined terms: "Body" § 4-201  
"Final disposition" § 4-201 "Person" § 1-101

(J) REGISTRATION.

"REGISTRATION" MEANS ACCEPTANCE BY THE SECRETARY AND INCORPORATION IN THE RECORDS OF THE DEPARTMENT OF ANY CERTIFICATE, REPORT, OR OTHER RECORD OF BIRTH, DEATH, FETAL DEATH, ADOPTION, MARRIAGE, OR DIVORCE FOR WHICH THIS SUBTITLE PROVIDES.

REVISOR'S NOTE: This subsection formerly appeared as Article 43, § 14(a)(3).

References to the "Secretary" and "records of the Department" are substituted for the obsolete references to the "State Board of Health and Mental Hygiene" and "its" records. See the General Revisor's Note to this article.
