

without substantive change from former Article 43, § 570(r).

The defined term is changed from "pasteurization" to "pasteurized" for clarity.

In paragraph (2) of this subsection "effective" is substituted for "efficient" for clarity.

(S) PERMIT.

"PERMIT" MEANS A PERMIT ISSUED BY THE SECRETARY UNDER THIS SUBTITLE THAT AUTHORIZES THE HOLDER OF THE PERMIT TO DO ANY ACT THAT IS WITHIN THE SCOPE OF THE PERMIT.

REVISOR'S NOTE: This subsection is new language added for clarity.

(T) RAW MILK.

"RAW MILK" MEANS UNPASTEURIZED MILK.

REVISOR'S NOTE: This subsection is new language added to permit easy reference to milk that has not yet been pasteurized.

(U) RECEIVING STATION.

"RECEIVING STATION" MEANS ANY PLACE WHERE, FOR DELIVERY TO A MILK PLANT, RAW MILK IS COLLECTED, COOLED, AND STORED.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Article 43, § 570(c).

The former terms "prepared" and "processed" are omitted in this subsection to reflect the apparent legislative intent that the Secretary is required to issue a receiving station permit only for a place where an activity enumerated in this revised subsection occurs. The former references to preparing and processing served only to describe activities that are permitted in a receiving station but do not trigger a requirement that a receiving station permit be obtained. See § 4-416 of this subtitle.

(V) TRANSFER STATION.

"TRANSFER STATION" MEANS A PLACE WHERE RAW MILK IS TRANSFERRED DIRECTLY FROM A MILK TRUCK TANK TO ANOTHER MILK TRUCK TANK FOR DELIVERY TO A MILK PLANT.

REVISOR'S NOTE: This subsection formerly appeared as Article 43, § 570(d).
