

REINSTATEMENT OF A PERMIT.

(E) REPORTS.

EACH CERTIFIED INDUSTRY DAIRY FARM INSPECTOR SHALL SEND TO THE SECRETARY A REPORT OF EACH INSPECTION THAT THE CERTIFIED INDUSTRY DAIRY FARM INSPECTOR MAKES.

REVISOR'S NOTE: This section is new language derived without substantive change from the fourth paragraph of former Article 43, § 575.

4-415. ISSUANCE OF PERMIT.

(A) ISSUANCE.

THE SECRETARY SHALL ISSUE THE APPROPRIATE PERMIT TO ANY APPLICANT WHO MEETS THE REQUIREMENTS OF THIS SUBTITLE AND THE RULES AND REGULATIONS ADOPTED UNDER THIS SUBTITLE FOR THAT PERMIT.

(B) SEPARATE PERMITS BY LOCATION.

A SEPARATE PERMIT SHALL BE ISSUED FOR EACH PLACE OF OPERATION THAT MEETS THE REQUIREMENTS OF THIS SUBTITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from the first and fourth clauses of the first sentence of the second paragraph of former Article 43, § 575.

In this section, "place of operation" is substituted for "property" to clarify that separate permits are required for activities conducted from a fixed location while only a single permit is required for those permit holders -- bobtailers, milk truck tank operators, and certified industry dairy farm inspectors -- who by definition conduct their activities either from a vehicle or in many locations.

4-416. SCOPE OF PERMITS.

(A) BOBTAILER PERMIT.

WHILE IT IS EFFECTIVE, A BOBTAILER PERMIT AUTHORIZES THE HOLDER, ON A MILK ROUTE THAT THE HOLDER OPERATES OR CONTROLS, TO DISTRIBUTE PASTEURIZED MILK PRODUCTS THAT THE HOLDER PURCHASED FROM A DISTRIBUTOR OR A MILK PROCESSOR.

(B) CERTIFIED INDUSTRY DAIRY FARM INSPECTOR PERMIT.

WHILE IT IS EFFECTIVE, A CERTIFIED INDUSTRY DAIRY FARM INSPECTOR PERMIT AUTHORIZES THE HOLDER TO INSPECT DAIRY FARMS IN ACCORDANCE WITH THIS SUBTITLE.
