

On occasion, the term "licensee" is used in this subtitle to refer to a holder of either of the licenses included in the definition of "license" in this subsection.

4-602. SCOPE OF PART.

THIS SUBTITLE DOES NOT APPLY TO THE MANUFACTURE OF ICE CREAM OR SIMILAR MILK PRODUCTS.

REVISOR'S NOTE: This section is new language derived without substantive change from the exemption for ice cream and milk products in the first paragraph of former Article 43, § 206.

In this section, "milk products" is substituted for "dairy products" to conform to the language of Subtitle 4 of this title.

The Commission to Revise the Annotated Code calls this section to the attention of the General Assembly. The exception is limited to "ice cream or similar milk products". The probable intent behind former Article 43, § 206 was to limit the former law to frozen foods not governed elsewhere in former Article 43. However, there are frozen desserts that are neither ice cream nor a milk product and that, therefore, may be within the scope of both this subtitle and Subtitle 8 of this title. The General Assembly may wish to exclude from the scope of this subtitle any frozen dessert regulated under Subtitle 8 of this title.

4-603. RULES AND REGULATIONS.

(A) IN GENERAL.

THE SECRETARY MAY ADOPT THE RULES AND REGULATIONS NECESSARY TO CARRY OUT THE PROVISIONS OF THIS SUBTITLE.

(B) ABSTRACTS.

THE SECRETARY SHALL PREPARE ABSTRACTS OF THIS SUBTITLE AND PROVIDE THEM, ON REQUEST, TO ANY PERSON.

REVISOR'S NOTE: This section is new language derived without substantive change from the references in the first sentence of former Article 43, § 209 to adoption of rules and regulations and to abstracts.

The balance of former Article 43, § 209 is deleted as obsolete or unnecessary in light of other independent provisions of law.
