

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Article 43, § 217(c) and (d) -- as those subsections collectively described a crab meat plant.

This definition avoids the need to repeat "picking plant or pasteurization plant" -- as the former law did -- where the law is intended to apply to both types of plant.

In item (2) of this subsection, "without complete sterilization", which formerly modified "heat-treated", is deleted as unnecessary.

As to the scope of this subtitle, see § 4-702 of this subtitle.

(D) LICENSE.

"LICENSE" MEANS A LICENSE ISSUED BY THE SECRETARY TO OPERATE A CRAB MEAT PLANT.

REVISOR'S NOTE: This subsection is new language added to avoid repetition of phrases such as "license issued to operate a crab meat plant".

On occasion, the term "licensee" is used in this subtitle to refer to the holder of a license.

(E) PICKING PLANT.

"PICKING PLANT" MEANS A PLACE WHERE:

- (1) CRABS ARE STEAMED OR COOKED;
- (2) CRAB MEAT IS PICKED FROM CRABS; AND
- (3) CRAB MEAT IS PACKED.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Article 43, § 217(c).

REVISOR'S NOTE TO SECTION: Former Article 43, § 217(e), which defined "person", is deleted in light of the definition of "person" in § 1-101 of this article.

4-702. SCOPE OF SUBTITLE.
