REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, § 276(a), (c), and (d) and the last clause of § 279.

In the introductory clause of subsection (b) of this section, the phrase "or otherwise provides" is substituted for "disposes of" and "furnishes" and the former phrase "at retail", which modified "sells", is deleted as unnecessary.

In subsection (b)(1) of this section, the phrase "or delivery" is new language added for clarity.

In subsection (b)(2) of this section, "person for whom the controlled poison is provided" is substituted for "purchaser" to state the presumed intent of the legislature.

In the introductory clause of subsection (e) of this section, the reference to a "person who is required to keep a poison register" is substituted for the phrase "every store where poisons are sold".
