REVISOR'S NOTE: Subsections (a) and (b) of this section are new language derived without substantive change from former Article 43, § 689B(a) and (b).

Subsection (c) of this section formerly appeared as Article 43, § 689C(a).

Subsection (b) of this section reflects the narrower meaning of "person" in former Article 43, §§ 689B and 689C than in the parts of the Natural Resources Article that are revised in this subtitle.
