(5) A DESCRIPTION AND STATUS OF FEDERAL PLANS AND STUDIES THAT RELATE TO THE WATER POLLUTION CONTROL PROGRAM FOR THIS STATE;

(6) A DESCRIPTION OF OTHER STATE PROGRAMS THAT RELATE TO WATER AND RELATED LAND RESOURCES; AND

(7) PROPOSALS AND RECOMMENDATIONS FOR LEGISLATIVE AND ADMINISTRATIVE ACTION TO IMPROVE OR IMPLEMENT THE WATER POLLUTION CONTROL PROGRAM FOR THIS STATE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, § 722 and former NR § 8-1404(a).

As to subsection (b)(4) of this section, former Article 43, § 722 (4) referred to "this subtitle", meaning the parts of Ch. 446, Acts of 1968 that were codified as former Article 43, §§ 718 through 724, while former NR § 8-1404(a)(4) also referred to "this subtitle", literally meaning all of Subtitle 14 of Title 8 of the Natural Resources Article. However, after examining the legislative history of former NR § 8-1404, as that history is revealed by Ch. 446, Acts of 1968, Ch. 348, Acts of 1972, Ch. 4, Acts of 1973, First Extraordinary Session, and Ch. 27, Acts of 1980, the Commission to Revise the Annotated Code determined that "this subtitle" in former NR § 8-1404(a) was intended to mean only those parts of Subtitle 14 of Title 8 of the Natural Resources Article that now appear in this subtitle. Since the collection of all the sections to which the references to "this subtitle" in former Article 43, § 722 and former NR § 8-1404(a) refer now makes up this subtitle, the reference in subsection (b)(4) of this section is revised as simply "this subtitle".

In subsection (b)(5) of this section, "federal plans and studies that relate to the water pollution control program for this State" is substituted for "related federal plans and studies", for clarity.

As to subsection (b)(7) of this section, the last sentence of former Article 43, § 722 referred to "proposals and recommendations" to "improve and implement the requirements of this section", thus
