APPROVAL A COPY OF THE CORPORATE DOCUMENT; AND

(III) RECORD A COPY OF:

The Commission to Revise the Annotated Code suggests that the General Assembly may wish to add to this subtitle a requirement that copies of corporate documents be filed among the land records of each member county. Presently, the only place where these documents may be examined is at the State Department of Assessments and Taxation. That department keeps the corporate documents described in this section the same way it keeps corporate documents generally -- indexed by name of the corporation.
