

"GOVERNING BODY" INCLUDES ANY BODY OR BOARD THAT IS IN CHARGE OF THE FINANCES OF A MUNICIPALITY.

REVISOR'S NOTE: This subsection formerly appeared as Article 43, § 428(c).

The former phrase "by whatsoever name they may be known" is deleted as unnecessary.

The only other changes are in style.

The Commission to Revise the Annotated Code notes, for consideration by the General Assembly, that the scope of the term "governing body" is unclear. The definition in the former law sets out the bodies that the term includes, but does not state what the term means. The General Assembly may wish to clarify what "governing body" means and whether the term includes the legislative or executive body of a municipality, or only some other body in charge of the finances of the municipality.

(D) MUNICIPALITY.

"MUNICIPALITY" MEANS ANY MUNICIPAL CORPORATION OF THIS STATE.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Article 43, § 428(b).

The term "municipal corporation of this State" is substituted for "city or town incorporated under the laws of this State" for clarity and conformity to terminology used elsewhere in the Code.

As to municipal corporations generally, see Article 23A of the Code.

The Commission to Revise the Annotated Code notes, for consideration by the General Assembly, that the Commission interprets this definition to exclude sanitary districts. The Commission believes that no sanitary district has ever used the Sanitary Facilities Bond Act of 1957. The General Assembly, however, may wish to clarify the definition in this respect.

(E) RESOLUTION.

"RESOLUTION" MEANS ANY RESOLUTION OR ORDINANCE ADOPTED BY ANY GOVERNING BODY.
