

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, § 29(b), (c), and (d)(1) -- except as that subsection related to annual renewal of permits.

The General Assembly may wish to clarify subsection (b)(1) of this section. The Commission to Revise the Annotated Code was unable to give the word "legally" any meaningful interpretation. The General Assembly, therefore, may wish to consider either deleting "legally" or adding language that clarifies what "legally" means in this context.
