

A PERSON WHO APPLIES THE MANEUVERS DEPICTED IN A DIAGRAM POSTED UNDER THIS SECTION TO REMOVE FOOD LODGED IN THE THROAT OF ANOTHER IS LIABLE ONLY IF THE PERSON'S ACTIONS AMOUNT TO GROSS NEGLIGENCE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, §§ 200B, 201, 202, 203, and the first clause of 209.

Former Article 43, § 200B(a)(2) defined the term "restaurant". However, except in its own definition, the word "restaurant" was used only once in former Article 43, § 200B. Therefore, a separate definition is omitted in this revision and the substance of the former definition is substituted where the defined term formerly was used.

In subsections (a) and (d) of this section, the former language "seating capacity" is shortened to "seating" for clarity and simplicity.

Subsection (e)(3) of this section is new language added to state expressly that which formerly was only implied in the law.

In subsection (f)(2) of this section, the former minimum penalties are deleted to conform to the statement of legislative policy contained in Article 27, § 643 of the Code, which sets forth the general rule that, notwithstanding a prescribed minimum penalty, the court nevertheless may impose a lesser penalty of the same character.

Former Article 43, § 200B(a)(2), which defined "Secretary", is deleted as unnecessary in light of the definition of that term in § 1-101 of this article.

The General Assembly may wish to amend subsection (a) of this section to require that the charts be posted "conspicuously".
