

CHAPTER 288

(Senate Bill 669)

AN ACT concerning

Budget and Fiscal Planning -
Department of Transportation

FOR the purpose of requiring capital and operating expenditures of the Maryland Department of Transportation to be set forth as separate appropriations for certain purposes in each State budget and budget bill submitted by the Governor to the General Assembly; providing that a certain total of proposed operating and capital expenditures for the Department may not exceed a certain total budget request; providing that a certain total of proposed operating and capital expenditures for a modal administration may not exceed a certain total budget request; requiring that funds appropriated for certain capital expenditures be used for certain capital projects only, with a certain exception; providing that in each budget of the Department separate budgets for capital and operating expenditures shall be set forth for each modal administration and a certain summary shall be set forth for informational purposes for the Maryland Transportation Authority; requiring the Department to submit a certain reconciliation report to the General Assembly under certain circumstances; clarifying language; and defining certain terms.
