

REVISOR'S NOTE: Subsections (a)(1) and (2)(i), (iii), (iv), (v), and (vi) and (b) of this section are new language derived without substantive change from former Article 52A, § 11.

Subsection (a)(2)(ii) of this section is new language added to reflect practice.

In subsection (a)(1) of this section, the former limitation "within the annual budgetary appropriations therefor" is deleted as unnecessary in light of Article 15A, § 14 of the Code, which prohibits expenditures in excess of appropriations.

Also in subsection (a)(1) of this section, the former reference "maintain" is deleted as unnecessary in light of the broad reference to "operate".

In the introductory phrase of subsection (a)(2) of this section, the former phrase "but not limited to" is deleted as unnecessary in light of the definition of "includes"/"including".

In subsection (a)(2)(iv) of this section, the former phrase "for Girls" is deleted since the Montrose School is now coeducational.

In subsection (a)(2)(vi) of this section, the phrase "youth centers" is substituted for the reference to the "forestry camps", to conform to the current terminology of the Administration.

In subsection (b) of this section, the former references to Baltimore City are deleted as unnecessary in light of the use of the defined term "county"..

Also in subsection (b) of this section, reference to a "bond issue" is substituted for "bond issued", to conform to Ch. 559, Acts of 1973. In Ch. 327, Acts of 1974, which amended former Article 52A, § 11 to delete a school, the section was set out with the words "bond issued". Since this change was not shown as an amendment and since the General Assembly does not issue bonds, the original wording is reinstated in subsection (b) of this section.
