CHAPTER 350

(House Bill 421)

AN ACT concerning

State Board of Examiners in Optometry

FOR the purpose of enabling the State Board of Examiners in Optometry to adopt certain rules and regulations; adding certain disciplinary grounds in the practice of optometry; authorizing the Board, in connection with disciplinary charges, to require a licensee to submit to certain examinations physical or mental examinations; requiring a licensee to perform a minimum optometric examination, maintain certain records, and have on hand certain instrumentation and equipment; providing for certain consent and waiver provisions; providing that failure or refusal of a licensee to take the required examination establishes prima facie evidence against the licensee with certain exceptions; and requiring the Board to pay for the examination;
