CHAPTER 355

(House Bill 436)

AN ACT concerning

Natural Resources - Sediment Control

FOR the purpose of amending the Sediment Control Law to change the effective date for training responsible personnel; allowing any governmental entity authorized to approve grading and sediment control plans to waive the requirement to have responsible personnel on a project involving 4 or fewer residential units; and by allowing others in addition to Soil Conservation Districts to develop and conduct training programs if the program content and instructor meet the requirements set by the Department of Natural Resources.

BY repealing and reenacting, with amendments,
