

(i) The services of the facility, including each service that is required to be offered on an as-needed basis; and

(ii) Related charges, including any charges for services that are not covered by Medicare, Medicaid, or the basic rate of the facility; and

(2) Keep a written receipt for the statement that is signed by the individual.

(c) Unless it is medically inadvisable, the resident physician of a facility or attending physician of its resident shall give the resident information about the diagnosis, treatment, and prognosis of the resident that is complete and current and is stated in language that the resident reasonably can be expected to understand.

(d) (1) A resident of a facility:

(i) Shall participate in the planning of the medical treatment;

(ii) May refuse medication or treatment; and

(iii) May know the medical consequences of these actions.

(2) The facility shall:

(i) Have the informed consent of a resident before the resident participates in any experimental research; and

(ii) Keep the resident's written acknowledgment of that consent.

(3) The resident shall receive information about the relationship of the facility to other health care institutions if the information relates to the care of the resident.

(4) The resident shall receive reasonable continuity of care, including information as to the availability of physicians and times for medical appointments.

(e) (1) Any case discussion, consultation, examination, or treatment of a resident of a facility:

(i) Is confidential;

(ii) Is to be done discreetly; and
