

(B) WHILE ON THE PREMISES OF A PHARMACY, A LICENSED PHARMACIST SHALL GIVE AN INDIVIDUAL WHO REQUESTS, IN PERSON OR BY TELEPHONE, THE CURRENT PRICE OF A PRESCRIPTION DRUG THAT THE PHARMACY OFFERS FOR SALE TO THE PUBLIC.

[12-509.

(a) (1) In this section the following words have the meanings indicated.

(2) "Prescription price" means the actual price charged a consumer by a pharmacy for a prescription drug of a stated strength and quantity, excluding the charge for any professional or convenience services.

(3) "Professional or convenience services" include:

- (i) Maintenance of patient drug profiles;
- (ii) Patient consultations;
- (iii) Compounding of prescriptions;
- (iv) Emergency prescription services;
- (v) Delivery service; and
- (vi) Charge account services.

(b) (1) At least once a year, the Board shall draft, publish, and distribute to each pharmacy in this State a chart that meets the requirements of this section.

(2) The chart shall be published on material suitable for display and printed in a type size and style that easily may be read at a reasonable distance.

(3) The chart shall:

- (i) List, except for controlled dangerous substances, the 100 most commonly prescribed prescription drugs by name, manufacturer or distributor, strength, and quantity;
- (ii) Include, where appropriate, generic equivalents of each listed prescription drug, if available;
- (iii) Contain a space in which the prescription price of each listed prescription drug can be inserted;
- (iv) List professional and convenience services, and contain a space in which to indicate:
