

(i) A masters or doctoral degree in psychology, mental health, counseling, personnel and guidance, divinity, marriage and family therapy, or family and community development from an accredited college or university; and

(ii) At least 2 years' training or its equivalent under the supervision of a regular member in good standing of the association, a licensed [physician] PHYSICIAN, or a licensed or certified psychologist.

16-301.

(a) Except as otherwise provided in this section, an individual shall be licensed by the Board before the individual may practice psychology in this State.

(b) This section does not apply to:

(1) The activities and services of, and the use of an official title by an individual employed by any agency of the federal government, this State, or any political subdivision of this State, or a chartered educational or charitable institution while performing the duties of that employment;

(2) The activities and services of a student, intern, or resident while pursuing a supervised course of study in psychology that the Board approves as qualifying training and experience under this title;

(3) The activities and services of an individual while performing psychological services under the direct supervision of a [certified] LICENSED psychologist who takes full responsibility for the activities and services performed, if the supervised individual has graduated from an accredited college or university with a master's degree based on a program of studies whose content was primarily psychological or a substantially equivalent program; and

(4) The activities and services of an individual licensed or certified as a psychologist in any state who recently has become a resident of this State and has an application for [licensure or certification] A LICENSE, with or without examination, pending before the Board.

16-305.

(a) Subject to the provisions of this section, the Board may waive any examination requirement of this title for an individual who is licensed or certified as a psychologist in any other state.

(b) The Board may grant a waiver under this section only if the applicant:
