

Baltimore City)..... 500,000

(4) To supplement the appropriation for acquisition of the Latrobe Site, "and construction of a 250-bed minimum security unit...", first made by Chapter 693 on page 2382 of the Acts of 1980, and amended by Chapter 724 on page 2708 of the Acts of 1981; Section 1(6) of Chapter 671 of the Acts of 1977, the original bond authorization providing funds to support the appropriation, being hereby modified to the extent that work may begin upon satisfactory assurances to the Board of Public Works that the project can be completed with the aggregate of the funds herein and heretofore appropriated for that purpose (Baltimore City)..... 3,600,000

(5) Provide a portion of the funds to construct a 720-bed medium security correctional institution at the Maryland Correctional Institution - Hagerstown Complex (Washington County), provided that the perimeter security at all State Correctional facilities in Washington County shall be at least equivalent to perimeter security of a State medium security correctional institution;~~and that preference shall be given to qualified residents living within Washington County for employment at the complex~~..... 13,000,000
10,500,000

(6) Design and preparation of plans for a new prison facility. The Governor shall project the prison capacity needed. If that capacity is projected to be in excess of 9,800 single cells, the Executive is to report back by January 19, 1983 on the need for the new facility and recommend a new site upon which to construct the additional prison. No further construction of any new prison shall be allowed or authorized in the Jessup, Hagerstown, or Forrest Street complexes (except for the planned BC&E site) beyond those for which appropriations have been made up to and including the General Construction Loan of 1982, except as replacement of existing prisons in the Jessup, Hagerstown, and Forrest Street
