(b) (a) (b) Replenishment of Capital Revolving Fund for Historical Preservation.....	200,000

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

(5) Except as otherwise provided in this Act, no department, board, commission, agency, or institution specified or named in this Act shall begin any work with funds secured pursuant to the provisions of this Act unless satisfactory assurances are made to the Board of Public Works that the work described in the individual items in this Act can be completed with the funds specified for each such item respectively. The funds appropriated by subsection (3)(G)(1)(a)(5) of this section and by various items of Section 2 of this Act to provide portions of the funds to construct a new 720-bed medium security correctional institution at the Maryland Correctional Institution - Hagerstown Complex shall be aggregated for purposes of this section, and the Division of Correction may begin work if satisfactory assurances are made to the Board of Public Works that the construction of the institution can be completed with the aggregate of those funds, provided that the perimeter security at all State Correctional facilities in Washington County shall be at least equivalent to perimeter security of a State medium security correctional institution, and that preference shall be given to qualified residents living within Washington County for employment at the complex.

(6) Where federal funds may be available to help accomplish any specific appropriation under this Act, the using department or agency shall formally advise the Board of Public Works that efforts have been made through proper administrative procedures to obtain such federal funds, and the reason, if any, why the federal funds were not obtained. Federal funds, if they are allocated, shall be used to defray the cost of the approved project, not to expand its scope.

(7) For any project listed in Section 1(3) of this Act for which preliminary planning funds are appropriated and
