

(c) In Kent County all licenses shall be issued only for [three,] six [, nine,] or twelve month periods, to begin from the first day of May in the year of their issue, and shall be claimed by the applicant within 30 days after renewal or issue. If the license is not claimed by the applicant within 30 days after issue or renewal of the license, the license is null and void. When a [three,] six [, or nine] month license is issued, only [one quarter,] one half [, or three quarters] of the annual fee [, as the case may be,] shall be charged. Nothing in this subsection may be construed to prevent a holder of a [three,] six [or nine] month license from applying for a renewal of that license pursuant to the procedure set forth in § 68 of this article.

(a) In Kent County, notwithstanding any other provision of this subtitle, it is unlawful for any person to sell or for any retail dealer to give alcoholic beverages between the hours of midnight on Saturday and 6:00 a.m. on Monday, except as to (1) Class C, beer, wine and liquor license (on-sale) club under which it is lawful to keep for sale and sell for consumption on the licensed premises alcoholic beverages on Sunday between the hours of 12 noon and midnight; (2) Class A, beer and wine license under which it is lawful to sell between 9:00 a.m. Sunday and 2:00 a.m. the following day; (3) Class D, beer and wine license under which it is lawful to keep for sale and sell for consumption on the licensed premises alcoholic beverages on Sunday between the hours of 9:00 o'clock a.m. and 2:00 o'clock a.m. the following day; and (4) Class A, B, and D beer, wine, and liquor license under which it is lawful to sell beer and light wine only, for consumption off the licensed premises, on Sunday between 9 a.m. and 2 a.m. the following day. On Sunday between the hours of [1:00 p.m.] 12 NOON and midnight, bona fide restaurants holding a Class B beer, wine and liquor license are permitted to serve alcoholic beverages for consumption on the premises only as a supplement to meals (which requires that the total alcoholic beverage bill cannot exceed the total price of the meal) and only when seated at a table (and not from a bar or bar stools). The word "restaurant" when applied to Kent County, means a business establishment for the accommodation of the public, fully equipped with a proper and adequate dining room and with sufficient facilities for preparing and serving meals, which has been approved by the board of license commissioners of Kent County, wherein the average daily receipts from the sale of food comprise at least 60 percent of the average daily receipts of the business.
