Article 81 - Revenue and Taxes

9C.

(a) (1) Except as otherwise stated herein, the governing bodies of Baltimore City and of the following counties, and of any city located within the county, shall grant a single mandatory credit against the amount of any county or city ordinary taxes or any other special charges or assessments specifically described herein, whichever is applicable, levied in the respective counties or cities against the property described in this section. (2) Each taxpayer entitled to a credit shall be given a notice of the credit at the time the tax bill is sent to him. He may apply for the credit at any time up to October 1 of the taxable year, but, except in Frederick County, if he has not made application on or before this date, the credit shall not be allowed. Application shall be made under oath or affirmation.
