

George's-Montgomery County line at the point where it crosses the present northern boundary of the Washington Suburban Sanitary District, thence northeasterly along the line to the dividing line between Election District No. 1 (Vansville) and Election District No. 21 (Berwyn), thence southeasterly along the line to the Little Paint Branch, thence south along the present boundary line of the Washington Suburban Sanitary District to the Metzert Road, thence west with the boundary line to the point of beginning at the Montgomery County line. The purpose of this section is to include all of the remaining area of the Berwyn or 21st Election District of Prince George's County which lies west of the Baltimore-Washington Boulevard and which has not heretofore been included in the Washington Suburban Sanitary District, and in addition thereto the following area: Beginning at a point on the existing south boundary of the Washington Suburban Sanitary District along the south boundary of Seat Pleasant Election District No. 18, the beginning point being the intersection of a line drawn due north from the northeast corner of the property of District Heights Company, as described in a deed dated February 19, 1925, and recorded March 3, 1925, in liber 233, at folio 116, one of the land records of Prince George's County, Maryland, with the south boundary of the Washington Suburban Sanitary District; thence due south to the aforesaid northeast corner of the property of District Heights Company as above described; thence following the east and south boundary lines of the property of District Heights Company to the Washington-Marlboro Road; thence southwesterly at a right angle to Washington-Marlboro Road to a point 300 feet southwesterly from the center of the road; thence by a line parallel to and 300 feet southwest of the center line of Washington-Marlboro Road in a northwesterly direction to intersect a line 2,500 feet southeast of and parallel to the southeast boundary of the District of Columbia; thence southwesterly along the line parallel to the boundary of the District of Columbia to intersect a line 300 feet southwest of and parallel to the centerline of Livingston Road; thence by a line 300 feet southwest of and parallel to the center line of Livingston Road aforesaid in a northwesterly direction to the southeast boundary of the District of Columbia; thence along the District of Columbia boundary in a northeasterly direction to the southwest corner of Seat Pleasant Election District No. 18, the corner being the intersection of the District of Columbia boundary with the present south boundary of the Washington Suburban Sanitary District.

(b) The Washington Suburban Sanitary Commission may, whenever it deems it advisable, construct a water and sewer system or systems, either or both, in any or all parts of the territory hereinabove described and the water or sewer systems or any extensions thereto shall be taken and considered as a part of the commission's general system and subject to all of the rules, regulations, assessments and
