

Also that area in Prince George's County: Beginning at the westerly side of Montgomery Road, 200 feet westerly from the intersection of the Powder Mill Road with Montgomery Road, thence running in a northerly direction, paralleling Montgomery Road a distance of 2.8 miles, more or less, to intersect the water main of the Washington Suburban Sanitary Commission, thence in an easterly direction a distance of 450 feet, more or less, (which distance includes the width of the Montgomery Road) to a point, thence southerly paralleling Montgomery Road a distance of 2.8 miles, more or less, to intersect Powder Mill Road, thence westerly along Powder Mill Road a distance of 450 feet, more or less, (which distance includes the width of the Montgomery Road) to the point of beginning.

Being a strip of land 200 feet wide on the easterly side of Montgomery Road and 200 feet wide on the westerly side of Montgomery Road from Powder Mill Road to intersect the water main of the Washington Suburban Sanitary Commission, and running along both sides of the road a distance of 2.8 miles, more or less.

[19-]22.

(a) The area herein described is hereby added to the Washington Suburban Sanitary District created by chapter 122 of the Acts of the General Assembly of 1918: All that area in the Berwyn Election District of Prince George's County not now included within the existing boundary of the Washington Suburban Sanitary District. Excepting therefrom the area included within the corporate limits of the city of Greenbelt as described in Chapter 583 of the Acts of the General Assembly of 1949.

(b) The jurisdiction of the Washington Suburban Sanitary Commission is hereby extended to include the area above described and the area shall be subject to all the rules and regulations of the commission and all provisions of law relating to the district including taxes, benefit assessments and other sums or charges levied by the commission in other parts of the district.

[19-]23.

(a) The area herein described is hereby added to the Washington Suburban Sanitary District created by chapter 122 of the Acts of the General Assembly of 1918: All that area in Prince George's County lying within the following described boundaries: Beginning for the same at a point in the existing boundary of the Washington Suburban Sanitary District, the point being the intersection of the Odell Road with the Old Baltimore Pike and the Swampoodle Road and running thence, at right angles to the Old Baltimore Pike southeasterly to a point 200 feet east of the east line of the Old Baltimore Pike, thence in a generally northeasterly
