

Also in subsection (b)(2) of this section, the former reference to reimbursement for expenses "actually and necessarily incurred in the performance of duties" is deleted as unnecessary in light of the reference to Standard State Travel Regulations. Standard State Travel Regulations are adopted by the Department of Personnel with the approval of the Board of Public Works.

In subsection (c) of this section, the reference to "other staff services" is substituted for the ambiguous reference to "housekeeping", to conform to practice.

The Commission to Revise the Annotated Code notes, for consideration by the General Assembly, that there is no quorum provision. In the absence of an express provision, rule, or regulation, case law indicates that a majority of the members is a quorum. See Gemeny v. Prince George's County, 264 Md. 85 (1972); Zeiler v. Central Ry., 84 Md. 304 (1896); and Heiskell v. Mayor of Baltimore, 65 Md. 125 (1886).
