(4) BE A STRONG ADVOCATE OF A COMPREHENSIVE, BROAD-BASED APPROACH TO THE SOCIAL, ECONOMIC, AND MEDICAL PROBLEMS OF ALCOHOL ABUSE AND ALCOHOLISM CONTROL.

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 2C, § 501(a)(2), (b)(4)(i), (g), the second clause of the first sentence of (b)(2), and the second sentence of (e).

Subsection (b)(1) of this section is revised to apply only to the State Advisory Council on Alcoholism Control. The State Advisory Council on Drug Abuse and the State Advisory Council on Mental Hygiene are required to report under §§ 9-305(b)(1) and 10-305(1) of this article, respectively.

In subsection (b)(2)(i) of this section, the reference to "revising" the State plan is substituted for reference to its "formulation", which already has been accomplished. This substitution is based on practice.

Subsection (b)(2)(iii) and (3) of this section -- which, in former Article 2C, § 501(a)(2), was referred to as a "purpose" -- is restated in this section as a duty, for clarity.
