

12-203. Same -- Prince George's County.

(A) EXCEPT AS OTHERWISE PROVIDED, IF A COMMISSIONER OR EMPLOYEE OF THE WSSC FROM PRINCE GEORGE'S COUNTY HAS, WILL HAVE, OR LATER ACQUIRES AN INTEREST IN ANY ACTUAL OR PROPOSED CONTRACT WITH PRINCE GEORGE'S COUNTY, THE COMMISSIONER OR EMPLOYEE SHALL PUBLICLY DISCLOSE THE NATURE AND EXTENT OF THE INTEREST IN WRITING TO THE SENIOR RESIDENT JUDGE OF THE CIRCUIT COURT FOR PRINCE GEORGE'S COUNTY.

(B) THE COMMISSIONER OR EMPLOYEE SHALL DISCLOSE THE COMMISSIONER'S OR EMPLOYEE'S OWN INTEREST AS SOON AS THE COMMISSIONER OR EMPLOYEE HAS KNOWLEDGE OF THE ACTUAL OR PROSPECTIVE INTEREST.

COMMITTEE NOTE: This section is derived from former Article 67, § 12-3(e).

TITLE 13. MARINA AND BOAT BASIN; FLOOD CONTROL.

[(67, § 13-1. Purpose of law.

The authority herein granted to the commission to establish, construct, erect, acquire, own, repair, remodel, add to, extend, improve, equip, operate and maintain a marina and boat basin, and to construct buildings, piers and structures for commercial activities and ventures reasonably necessary or desirable in connection therewith, is generally directed to the power to construct, own, operate and maintain the structures, piers, buildings and facilities involved as distinct and separate from the commercial endeavor or activity conducted therein or thereon, nor shall the commission engage in any of the commercial activities or supply any goods, wares, or services, except by and through a lease or agreement with a private person, firm, or corporation, unless the commission finds and determines that no such person, firm, or corporation is willing or able, consistent with economic operation of the facility and with the continued maintenance and operation of the flood control and navigation project, to supply the goods, wares or services and that the same are necessary or desirable to further the development of the marina and boat basin and make the facilities there constructed of greater benefit to the public.]

COMMITTEE NOTE: Former Article 67, § 13-1 is proposed for repeal as obsolete because the WSSC no longer has jurisdiction over this aspect of the marina and boat basin.

[(67, § 13-2. Development of site and facilities.

The Washington Suburban Sanitary Commission is authorized and empowered to develop the land, interest in land, sites and facilities heretofore or hereafter acquired and used in the Anacostia River flood control and navigation
