

Commission and guaranteed as to both principal and interest by the county commissioners of Prince George's County only; the county commissioners of Prince George's County are hereby directed to guarantee the bonds in substantially the manner and form of the guarantee of the construction bonds of the Washington Suburban Sanitary Commission. Such guarantee shall operate as a pledge of the full faith and credit of the county commissioners of Prince George's County to the payment of the maturing principal and interest of the bonds and, to the extent that the taxes hereinafter in this subsection provided for are inadequate to provide the funds necessary to pay such principal and interest in any year, the county council shall levy upon all property subject to taxation within its corporate limits ad valorem taxes in rate and amount sufficient to make up any such deficiency. For the purpose of paying the principal of the bonds as they mature and the interest thereon the Prince George's County Council shall levy annually upon all of the property assessed for county tax purposes within the portion of the Maryland-Washington Metropolitan District in Prince George's County, upon the certification of the Maryland-National Capital Park and Planning Commission, an ad valorem tax at a rate necessary to produce annually the sum required to pay the principal and interest for the current year on the bonds or any part thereof outstanding, which tax shall be levied and collected as other commission ad valorem taxes are levied and collected and paid to the commission.]

COMMITTEE NOTE: The M-NCPPC has not issued these bonds, and apparently has no intention of doing this. Officials requested that the paragraph be repealed.

[(c)] (D) (1) [Whenever] IF an appropriation [shall have been] IS made by the United States [of America] for the construction in whole or in part of any project for flood control in the valley of the Anacostia River in the vicinity of Bladensburg and adjacent communities in Prince George's County[, Maryland, thereupon the state roads commission is authorized and directed to] THE STATE HIGHWAY ADMINISTRATION SHALL pay out of its general funds [such sums as are required to pay for] the cost of building and relocating [complete] all state highways and bridges within the limits of [such] THE flood control and navigation projects [in the Anacostia River basin in Maryland as may be approved by the federal government,].

(2) [provided, however, that the] THE total amount [shall] MAY not be [in excess of] GREATER THAN \$1,500,000.

[(d)] (E) (1) [The proceeds from all bond issues hereinbefore authorized to be issued under this section shall be turned over to the Washington Suburban Sanitary Commission, with which proceeds it] THERE IS A WSSC FLOOD
