

4-4 of this article, maturing serially, in such amounts annually as may be fixed by the commission, but all payable within a period of twenty years from date, and the bonds or notes shall be sold as the general construction bonds of the commission are now sold; and for the purpose of paying interest on the bonds and principal of the same as they become due, the commission is authorized to make and fix a reasonable schedule of charges for the reception and disposal of all garbage, trash, rubbish, refuse or junk. The receipts therefrom including the permit fees heretofore authorized, shall, after payment for the operation of the plant, be applied toward the payment of principal and interest, and in the event that the net proceeds of the fees and charges are not sufficient to meet the carrying charges of the bonds or notes, the commission is authorized to pay the difference out of the general water receipts provided for in chapter 122, Acts of 1918 provided, however, that in the event part of the water receipts is used for the carrying charges of the bonds or notes, the commission shall adjust the water rates, either consumption charge or service charge, in its discretion, on all property served by the commission to the extent necessary to meet the deduction, which charges may be changed from year to year under the provisions of chapter 122 of the Acts of 1918. It is the purpose of sections 17-3 and 17-4 to establish uniform fees and a uniform method of retiring bonds as to any one or more incinerators heretofore erected, or to be built by the commission within the sanitary district. The water rates throughout the district shall be uniformly adjusted, when and if an incinerator is erected in Montgomery County for the purpose of retiring the bonds representing the cost of such an incinerator or incinerators, and the cost of the erection of the incinerator heretofore built in Prince George's County.]

COMMITTEE NOTE: Since all bonds that were issued under this title have been paid off, this title is deleted as obsolete.

TITLE 18. MISCELLANEOUS PROVISIONS.

[18-1] 18-101. Unlawful use of WSSC property.

EXCEPT AS PROVIDED IN RULES OR REGULATIONS ADOPTED BY THE WSSC, [It shall be unlawful for any] A person[, firm or corporation to] MAY NOT use, handle, tamper with, obstruct, interfere with, deface, or destroy any [of the] property OWNED OR USED BY THE WSSC IN THE CONSTRUCTION OR OPERATION OF WSSC'S SYSTEMS [of the Washington Suburban Sanitary Commission], including pipes, fittings, fireplugs, pumps, engines, appliances, wires, or other fixtures or equipment [owned or used by the commission in the construction and operation of its systems within the Washington Suburban Sanitary District except under such rules and regulations as the commission may adopt].
