- (1) MONTGOMERY COUNTY;
- [(1)] (2) Prince George's County;
- [(2)] (3) Any municipality;
- [(3)] (4) The District of Columbia;
- [(4)] (5) The United States;
- [(5)] (6) This State;
- [(6)] (7) Any agency or unit of these jurisdictions; and
- [(7)] (8) Any other person as is necessary for the proper administration of this section.

7-105.

(d) (1) [The Montgomery] EACH county council [and the Prince George's County governing body] shall approve, disapprove, or modify the WSSC Capital Improvements Program.

(3) [The Montgomery] EACH county council [and the Prince George's County governing body] may designate a water or sewer main for controlled or limited access for service to designated areas within the respective county.

(e) (1) If the WSSC's submitted statement of objectives with respect to a major project to be constructed in whole or in part in one county declares that the project is designed to provide services in whole or in substantial part to the other county, the major project may be disapproved with the concurrence of the [Montgomery] county council [or the Prince George's County governing body, depending on] OF the county that is to receive the designed services.

(2) (i) Notwithstanding paragraph (1) of this subsection, the [Montgomery] county council [or the Prince George's County governing body, depending on] OF the county where the project is located [,] may direct modifications in location or change the proposed year of construction if the modification or change will not prevent the services being available when needed.
