

(C) PILOT AND DEMONSTRATION PROJECTS.

THE DIRECTOR MAY PROVIDE MONEY FOR A PUBLIC OR NONPROFIT ORGANIZATION TO CARRY OUT PILOT OR DEMONSTRATION PROJECTS.

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 2C, § 309(a), as that subsection related to State contracts, and (b) and § 502(e).

In subsection (a) of this section, the former words "organization" and "institution" are deleted as unnecessary in light of the word "agency".

In subsection (b) of this section, the former limitation "to the extent that funds are provided in the State budget" is deleted as unnecessary in light of the usual budgetary process. See Article 15A, § 14 of the Code.

In subsection (c) of this section, the former reference to approval of the Secretary is deleted as unnecessary in light of § 8-203 of this title.

Also in subsection (c) of this section, the former reference to providing "appropriated funds in addition to the regularly funded local alcoholism control programs" is deleted as unnecessary since the broad grant of authority under subsection (c) of this section would not be limited otherwise by the appropriations to local programs.
