

compensation shall be payable for any period during which the employee may refuse to submit to such examination.

The medical board shall, as soon as practicable after it has completed its consideration of the case, report in writing its findings and conclusions on every medical question in controversy. If the date of disablement is controverted and cannot be exactly fixed scientifically, the medical board shall fix the most probable date, having regard to all the circumstances of the case. The medical board shall also include in its report a statement indicating the physician or physicians, if any, who appeared before it, and what, if any, medical reports and X-rays were considered by it.
