

43B, § 3(a).

It is set forth as a separate section for emphasis.

The word "State" is added to distinguish between the State Advisory Council and county advisory councils authorized under § 9-309 of this subtitle and to achieve uniformity among the names of the entities that this article governs.

The phrase "in the Administration" is added for clarity. It is based on the reference in former Article 2C, § 501(e) to the joint meetings of advisory councils, including the Advisory Council on Drug Abuse "within the ... drug abuse ... administratio{n}". It also conforms to the practice of the Administration and the Department.

The only other changes are in style.

Defined terms: "Administration" § 9-101
