

In item (1)(ii) of this section, the phrase "county drug abuse program" is substituted for "local program", for clarity.

In item (2) of this section, reference to "revising annually" is substituted for the reference to developing an "annual" plan, to conform to practice.

Item (5) of this section is derived from the reference in former Article 43B, § 3A(d)(3) to "agreed upon priorities" and revised to state expressly that the councils set their own priorities for allocation of funds, for purposes of their recommendations under item (6) of this section.

Item (7) of this section is revised to clarify that a county advisory council does not review an application for a grant unless the application affects its county.

In item (8) of this section, the reference to "information and advice" is substituted for the ambiguous reference to "input".

In item (11) of this section, the reference to the "State comprehensive drug abuse control plan" is substituted for the reference to the "State drug abuse plan", to conform to other references in this title.

Defined terms: "County" § 1-101
"Director" § 9-101 "State Advisory
"Drug abuse" § 9-101 Council" § 9-101
