

(2) Recommendations for legislation that the State Board and the State Superintendent consider necessary to improve the quality of education in this State.

7-413.

(c) (1) Funds for this program shall be used to acquire:

(i) The services of one full-time pediatric-school nurse practitioner and one full-time health aide II from the Caroline County Health Department, Bureau of Community Health Nursing; and

(ii) The services of one full-time pediatric-school nurse practitioner and one full-time health aide II from the Baltimore City Health Department, Bureau of Community Health Nursing.

(2) The local subdivisions shall be reimbursed for the purchase of necessary supplies for the program.

(3) The Department of Health and Mental Hygiene or the Baltimore City Health Department shall designate a part-time health research design analyst:

(i) To plan the design of the program;

(ii) To work with the local subdivisions to collect and analyze data during the program period; and

(iii) [To] SUBJECT TO ARTICLE 40, § 51 OF THE CODE, TO prepare the reports to the General Assembly and the Secretary of Health and Mental Hygiene on July 1, 1982 and July 1, 1983.

8-417.5.

(a) Each year, the State Board shall:

(1) Review the application of the funding formula provided in §§ 8-417 through 8-417.6 of this subtitle in light of the programs required under §§ 8-401 through 8-409 of this subtitle; and

(2) On or before September 30, make a report to the Governor and, SUBJECT TO ARTICLE 40, § 51 OF THE CODE, TO the General Assembly.

12-111.

(b) (1) In consultation with the institutions and agencies concerned with postsecondary education in this State, the Board shall develop an overall plan that:
