

(8) Encourage, promote, and review new techniques, methods, and procedures for emergency services;

(9) Cooperate with and review material from other states and federal agencies on emergency services education and training;

(10) Recommend to the commissioner of higher education rules and regulations necessary or appropriate to accomplish the purposes and objectives of the Commission;

(11) Review any proposed or adopted national standards or certification programs for emergency services and recommend to the commissioner of higher education the actions that should be taken regarding them;

(12) Prepare an annual report on the activities of the Commission to the commissioner of higher education, the Governor, and, SUBJECT TO ARTICLE 40, § 51 OF THE CODE, the General Assembly; and

(13) Provide a place of storage for the records of the Commission and the original Governor's Commission on Fire Services.

13-105.

(c) (1) The University shall provide the State Board for Higher Education, the Board of Public Works, and any member of the General Assembly, with any information on any phase of operation of the University that may be requested.

(2) [The] SUBJECT TO ARTICLE 40, § 51 OF THE CODE, THE University shall make an annual report to the General Assembly covering its work. The report shall indicate clearly by donor, amount, and purpose, each gift, grant, or dedication of funds received or made available to the University during the year. However, the purpose of any gift, grant, or dedication may be withheld if necessary for reasons of national security.

14-105.

(g) Before January 1 of each year the board of trustees shall submit to the Governor, SUBJECT TO ARTICLE 40, § 51 OF THE CODE, and TO the General Assembly a written report that:

(1) Describes its activities; and

(2) Contains a statement of its receipts and expenditures.

16-104.
