

are developed closer to these shooting ranges, it is important that a local jurisdiction have the authority to impose noise controls, as the circumstances require, so as to protect the public's health and welfare.

If this bill were signed, neither the State nor the local jurisdiction could adopt reasonable regulations governing shooting between the very early hour of 7:00 a.m. and the very late hour of midnight, regardless of whether such hours of shooting were compatible with the comfort of those living in the residential community.

For these reasons, I have decided to veto Senate Bill 530.
