Subsection (a)(4), (7), (8), and (9) of this section is new language added to reflect State facilities now directly controlled by the Administration. The addition of the Walter P. Carter Community Mental Health and Retardation Center and the Highland Health Facility is based on the references to them as a "State mental hospital" in ET § 13-709. As to the Thomas B. Finan Hospital Center, see former Article 59, § 31(d) and the General Revisor's Note to this subtitle.

In subsection (b) of this section, the reference to making a facility a "State facility" is substituted for "other facilities may be brought within the jurisdiction of the Commissioner", for brevity.
