

counseling of juveniles impelled to commit arson, including a program for training juvenile counselors; and

(h) Public education or community programs on the extent, causes, and prevention of arson.

EXECUTIVE ORDER OF MAY 25, 1982

01.01.1982.07

GOVERNOR'S CITIZENS' COMMISSION
ON CRIME PREVENTION

WHEREAS, The reduction, prevention and control of crime and delinquency in Maryland are a vital concern to the citizens of the State of Maryland and law enforcement officials; and

WHEREAS, The reduction of the fear of crime in Maryland is necessary for the health, welfare, and safety of our citizens; and

WHEREAS, The basic function of State, county and municipal government is the protection and security of the public safety; and

WHEREAS, Community crime prevention activities involving law enforcement officers, the private sector, elected officials, schools, civic associations, and private citizens can reduce crime and the resultant fear of crime; and

WHEREAS, Citizens should become aware of the many crime prevention efforts in operation throughout the State and should be encouraged to cooperate to the maximum extent possible to expand these crime prevention efforts and to initiate new approaches in the prevention of crime and delinquency; and

WHEREAS, Citizens should be encouraged to make concerted efforts to disseminate accurate crime prevention information to community leaders, the religious community, civic associations, neighborhood groups, and businesses throughout this State; and

WHEREAS, Increased involvement of private citizens and the
