REVISOR'S NOTE: This section is new language derived without substantive change from former Article 59, § 31(e)(2), (4), and the second clause of (3).

Former Article 59, § 31(e)(1), which defined "hospital" to mean the Eastern Shore Hospital Center, is deleted as unnecessary since the full title is used throughout this section.

The first clause of former Article 59, § 31(e)(3), which referred to completion of the cost estimate, is deleted as unnecessary in light of subsection (b)(2) of this section.

The Commission to Revise the Annotated Code notes, for consideration by the General Assembly, that it may wish to consider whether this section was intended to be superseded by the general provisions for procurement, in Article 21 of the Code.
