Subsection (a)(6) of this section, which is derived from the minimum requirements for rules and regulations in former Article 59, § 62(4), is revised here as a statutory requirement, to avoid unnecessary repetition in the rules and regulations.

Former Article 59, § 65(3), which referred to a "public group home of a similar nature", is deleted since there are no public group homes and establishment of those homes is not expected.

Former Article 59, § 68(b), which limited the zoning provisions in subsection (b) of this section to nonprofit entities, is deleted as unnecessary in light of the definition of "private group home", which excludes profitmaking entities.

"Large private group home" § 10-514
