

THE COMMISSION IS A QUORUM TO DO BUSINESS.

REVISOR'S NOTE: This subsection is new language derived without substantive change from the second sentence of former Article 43, § 815(e).

The former provision "if ... all eleven members are not present ... business may be conducted if a majority of the members are present" is restated in more general language to conform to similar provisions elsewhere in this article and to accommodate possible future legislative changes in the number of members to be appointed to the Commission, without the necessity of enacting a conforming change here. However, the word "voting" is added since the full authorized membership of the Commission includes 5 nonvoting members, who, in practice, are not considered for purposes of quorum. This appears to have been the intent of the specific reference in the second sentence of former Article 43, § 815(e) to "all eleven members", even though the first sentence of former Article 43, § 815(e) referred to meetings of the "full Commission". As to the current full authorized membership of the Commission, see § 13-104(a)(1) of this subtitle.

The third sentence of former Article 43, § 815(e), which stated that a majority of members present may make decisions, is deleted as unnecessary.

Defined term: "Commission" § 13-101

(B) MEETINGS.

THE COMMISSION SHALL MEET AT LEAST TWICE A YEAR, AT THE TIMES AND PLACES THAT IT DETERMINES.

REVISOR'S NOTE: This subsection formerly appeared as the first sentence of Article 43, § 815(e).

The phrase "at the times and places that it determines" is new language added for clarity.

The word "full", which formerly modified "Commission", is deleted as inconsistent with the quorum provision in subsection (a) of this section.

The only other changes are in style.

Defined term: "Commission" § 13-101
