(4) A MEMBER WHO IS APPOINTED AFTER A TERM HAS BEGUN SERVES ONLY FOR THE REST OF THE TERM AND UNTIL A SUCCESSOR IS APPOINTED AND QUALIFIES.

REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, § 782(c), (d), and all of the first sentence, except the parenthetical phrase in that sentence, and the entire second through fourth sentences of (b).

Subsection (a)(2)(iii) and (iv) of this section is revised to provide for the appointment of 1 individual at the discretion of the Governor and for the appointment of 5 individuals from lists submitted by the nominating entities. In subsection (a)(3)(i)2. of this section, reference to the "State Health Planning and Development Agency" is substituted for the obsolete reference to the "Comprehensive Health Planning Agency of Maryland".

In subsection (a)(3)(i)3. and 4. of this section, references to "the faculty of the University of Maryland School of Medicine" and "the faculty of the Johns Hopkins University School of Medicine" are substituted for "the medical faculty of the University of Maryland" and "the medical faculty of the Johns Hopkins University", for clarity and conformity to practice.

In subsection (b)(2) of this section, reference to terms of the members serving on July 1, 1982 is substituted for the obsolete reference to the terms of the initial members.

Subsection (b)(5) of this section is revised in
