Subsection (c)(2) of this section is new language added to reflect the continuing stagger created under the first sentence of former Article 41, § 340(b), which specified the terms of the initial members and which is deleted as obsolete. The Commission to Revise the Annotated Code notes that the current members are serving terms that vary from those provided by law. In subsection (a) of this section, as to the substitution of the phrase "with the advice of the Secretary" for "upon the recommendations of the Secretary", see the General Revisor's Note to this article.

In subsection (b) of this section, the word "children" is substituted for the imprecise term "youth".

In subsection (c)(4) of this section, the former list of causes of vacancies is deleted as unnecessary. For circumstances under which this subsection (c)(4) of this section applies, see the General Revisor's Note to this article.

The first sentence of former Article 41, § 340(c), which allowed for successive terms, is deleted as unnecessary. As a general rule, the right to serve successive terms is not limited, absent an express provision to the contrary.
