

TO QUALIFY FOR A PERMIT, AN APPLICANT SHALL SATISFY THE SECRETARY THAT THE MEDICAL LABORATORY TO BE OPERATED, REPRESENTED, OR SERVICED AND ITS DIRECTOR MEET THE REQUIREMENTS THAT THE SECRETARY ADOPTS UNDER THIS SUBTITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from the second clause of the third sentence and the fourth clause of the eighth sentence of former Article 43, § 34(a), as those clauses related to medical laboratories, and from the seventh sentence of former Article 43, § 34(a), as that sentence allowed denial of a permit for failure "to comply ... with the provisions of any rules or regulations regularly adopted by the Secretary".

This section and other sections in this subtitle are revised to clarify that the qualification of the director of the medical laboratory also is a condition for issuance of the permit. See § 17-203 of this subtitle.

Also in this section, the phrase "requirements that the Secretary adopts under this subtitle" is used to indicate that compliance is required not only as to the standards and qualifications set by rule or regulation under §§ 17-202(a) and 17-203 of this subtitle, but other rules and regulations of the Secretary. In revising this section, however, the broad reference to rules and regulations is limited to rules and regulations adopted under this subtitle.

The part of former Article 43, § 34(a) that related to tissue banks now appears in Subtitle 3 of this title.
