

The second clause of the second sentence of former Article 43, § 34(d), which provided for disposition of the fees "in the general funds of the State", is deleted as unnecessary in light of § 2-104(j) of this article, to the same effect.

Defined terms: "Department" § 1-101

17-208. ISSUANCE AND CONTENTS OF PERMIT.

(A) ISSUANCE.

THE SECRETARY SHALL ISSUE A PERMIT TO ANY APPLICANT WHO MEETS THE REQUIREMENTS OF THIS SUBTITLE.

(B) CONTENTS.

THE SECRETARY SHALL INCLUDE ON EACH PERMIT THAT THE SECRETARY ISSUES:

- (1) THE NAME OF THE MEDICAL LABORATORY;
- (2) THE NAME OF ITS DIRECTOR;
- (3) THE NAME OF ITS OWNER; AND
- (4) THE CLASSES OF SERVICES THAT THE MEDICAL LABORATORY MAY OFFER.

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from all but the first clause of the third sentence of former Article 43, § 34(a), as that sentence related to a permit to operate, and rephrased to express the formerly implied duty of the Secretary to issue a permit to a qualified applicant for a permit to represent or service a medical laboratory.

Subsection (b) of this section is new language added to conform to Department practice, which requires the issuance of a new permit if a change occurs as to any matter stated in the permit. See also § 17-209 of this subtitle.

As to inspections of medical laboratories within this State before issuance of a permit, see § 17-202(b) of this subtitle.
