

(2) TO REPRESENT OR SERVICE IN THIS STATE A TISSUE BANK THAT IS OUTSIDE THIS STATE.

REVISOR'S NOTE: This subsection is new language added to allow concise reference to a permit issued under this subtitle.

Former Article 43, § 34(a) specifically referred to a "permit", in connection with operating a tissue bank. As to representing or servicing a tissue bank, however, former Article 43, § 34(a) referred only to "appropriate annual application". This subtitle is revised to clarify that application is made for a permit.

Defined terms: "Secretary" § 1-101
"Tissue bank" § 17-301

(C) TISSUE BANK.

(1) "TISSUE BANK" MEANS AN ESTABLISHMENT THAT OBTAINS, STORES, PROCESSES, DISTRIBUTES, OR SELLS HUMAN BLOOD OR OTHER HUMAN TISSUE FOR USE IN THE HUMAN BODY.

(2) "TISSUE BANK" INCLUDES A BLOOD BANK.

REVISOR'S NOTE: Paragraph (1) of this subsection is new language derived without substantive change from the third clause of the first sentence, the third clause of the eighth sentence, and the second clause of the ninth sentence of former Article 43, § 34(a). It is revised as a definition to allow concise reference to the tissue banks governed by this subtitle.

Paragraph (2) of this subsection formerly appeared as the first clause of the ninth sentence of Article 43, § 34(a).

Former Article 43, § 34(a) referred to "laboratories and tissue banks ... which make examinations in connection with the diagnosis and control of human {diseases} which procure, process, distribute, or sell human tissue". These former provisions, as to tissue banks, are revised in this subtitle. These former provisions, as to medical laboratories, are revised in Subtitle 2 of this title. As part of this revision, the terms "medical laboratory" and "tissue bank" are defined separately and clarify that medical laboratories make examinations and that tissue banks deal in tissue.

In item (1) of this subsection, the word "stores"
